

# Dave & Anne Pemberton-Smith

Why did we joined Kleeneze?

We wanted to earn an extra £15 a week to pay for a Chinese takeaway and a cheap bottle of wine. We were working hard in our jobs as a Postman and Bar Manager but did not have any spare cash. We saw Kleeneze as our solution.

A few catalogues each week would give us some spare cash What have we achieved since joining in August 1996?

We quickly saw the potential to earn loads more than £15 and started to work as hard as we could to achieve a much larger income.

Kleeneze also offer incentive trips to some amazing destinations, we have qualified for:

Thailand 1997  
Australia 2001  
South Africa 2003  
Athens 2005  
Rio De Janeiro 2006

We have also been presented with a BMW 3 Series which was absolutely free.

Our income is now over £100,000 a year. We work from home, with no stress or a boss. Our life revolves around our two boys. We can now be full time parents who have to work parttime whilst enjoying a full time income and a great lifestyle.

Kleeneze works, when you do.
